

## Salmonella Map Self-Assessment

0	1	2	3	4	5	Using the blank outline map of the world provided by my teacher, I correctly labeled each country where an outbreak occurred.
0	1	2	3	4	5	I correctly labeled each neighboring country.
0	1	2	3	4	5	For each outbreak I included the date, location, number of cases, and suspected cause of <i>Salmonella</i> poisoning.
0	1	2	3	4	5	I used appropriate coloring on my map. (Blue only for water, countries outlined in black, labels clearly legible.)

---

TOTAL: /20 points
